

Mr Jeremy FOO Say Huat
Senior Vice President / General Manager
ST Electronics (Training & Simulation Systems) Pte Ltd

Mr Foo was appointed the General Manager of ST Electronics (Training & Simulation Systems) Pte Ltd on 1 July 2010.

Mr Foo obtained his Bachelor of Electrical Engineering Degree (First Class Honours) from the National University of Singapore in 1988. He also completed the Program for Management Development at the Stanford Business School in the United States in 2003.

Mr Foo began his career as a Software Engineer in the Defence Science Organisation, of the Ministry of Defence in 1988. He later joined Singapore Computer Systems Ltd in 1991 as a Programme Manager and was responsible for the delivery of several large-scale Command & Control and Simulation projects.

Mr Foo joined ST Electronics (Info-Software Systems) Pte Ltd (then known as Singapore Engineering Software Pte Ltd) in 1997 as a result of a strategic company merger. He was appointed Divisional Manager (Systems Engineering Group) and was instrumental in setting up several new businesses and managing homeland security projects.

In 2005, Mr Foo was appointed the General Manager of STELOP Pte Ltd (then known as Chartered Electro Optics Pte Ltd). He was responsible for the operations of the company and formulation of the company's long term growth and business strategies.

Mr Foo currently serves as a Company Director on ST Education and Training Pte Ltd, ST Electronics (Software Services) Limited and Antycip Simulation Limited.
